THIS WEEK: LAKSA

Compiled by ANNABELLE LIANG AND FABIAN KOH

928 Yishun Laksa

Block 928, Yishun Central 1, #01-155

Opens: 9am to 7pm daily

Open for more than 10 years, the stall has a constant queue every day.

The owners have a highly guarded formula of success which they refused to divulge.

Freshly prepared at 7am every day, the ingredients come in generous proportions. But be warned, the chilli is not for the faint-hearted.

Price: \$2.50/\$3
