FLEXOFFICE

DEAR CUSTOMER

01

FLEX OFFICE

Flexoffice System (S) Pte Ltd was established in 2005 as an office system supplier. We were known earlier as E&W Interiors Pte Ltd as a furniture system support group, specializing in panel upholstery and site installation. Since then, we ventured into system panel fabrication space planning and project management.

Our aim is to provide moderate to affordable pricing, customer's satisfaction & quality workmanship. Fast and efficiency in completing projects is our main forte.

FLEXOFFICE

GREEN FACT: Our products are designed to be durable for years of use and reuse and is a Singapore Green Building certified product.

FLEX JAVA

SELECTION

136

FEATURES & BENEFITS

1) SEAT HEIGHT ADJUSTMENT

- Lift right-hand lever up to adjust the seat height without sitting on the chair.
- To lower seat height, lift right-hand lever up while seated.
- For optimal posture, thighs should be parallel with ground and both feet flat on the floor. This improves blood circulation and comfort.

2) SEAT POSITION LOCKING-RECLINER SYNCHRON MECHANISM

- The mechanism comes with 3 positions locking that allows the seatrest and backrest to tilt at the same time with the potential of stabilization.
- Turn clockwise the right-hand button to lock position. Turn clockwise again to unlock.

3) TENSION CONTROL

- Turn tension control clockwise for a more rigid back tilt and anti clockwise for a softer tension to suit control according to body weight.
- The tension control allows comfortable and relaxed seating according to body weight.

4) HEADREST

- With height and angle adjustment that provide ergonomic support for the neck to prevent cervical strains.

5) LUMBAR HEIGHT ADJUSTMENT

- Provide a good lower back support for individuals of different height.
- Shift the lumbar support upwards and downwards to the most comfortable position.

6) ADJUSTMENT ARMREST (71A)

- Height adjustment armrest with PP padding on top to provide comfortable resting position for the arms.

7) FIXED ARMREST (40A)

- Modern design PP injection fixed T-Armrest to provide a natural resting position for the arm.

8) NH1 BASE + R2 ROLLER

- With US BIFMA passed standard sleek nylon high base NH1 with R2 60mm nylon castor.

9) CC63 BASE

- Highly durable chrome sledge base.

Flex Board Pod

Creates a collaborative/functional space for office communication and occasional meetings. Unique style with acoustic material makes the Board Pod Series perfect to be used as a temporary meeting place as a part of your office furniture.

FEATURES

- 40mm panels
- Wiring management integrated into panel
- Structure enhance panel suitable to hang TV
- Sofa with chrome base
- Fit media table link to panel
- With 3 power sockets integrated on table

Flex Melamine

Our table and cabinet is made of MFC (melamine faced chipboard) worktop in selected melamine color complete with matching 1.5mm Thk PVC edging & carcass.

Melamine is a decorative sheet stuck onto pressed wood (wood fibres chipped and compressed together in a separate block). The vast majority of office furniture is manufactured with this material.

Standard Melamine Color

			
ZAFA4, 5, 6	Classic Light Grey4, 5, 6	Space Grey4	New Graphite Grey4
